

Gannet - day charters from Oban

Directions to Gannet's mooring in Gallanach Road, Oban
SATNAV-postcode to enter for mooring location is PA34 4PD

On the A85, follow the road signs to the car ferry around Oban town centre into Gallanach Road. Drive past (1) the Oban Ferry Terminal entrance on the right, and continue on past (2) the Lighthouse Pier and (3) the Manor Park Hotel both on your right. The road then narrows so take care at the sharp and blind left bend - the speed limit on this stretch of road is 20mph.

You'll see yachts and workboats moored all along this stretch of shore, so carry on for another 500 metres or so, and you'll pass (4) the Creagdhu Guest House. Stop here and look out for a little jetty on the shore here on your right just opposite (5) the Cardentive Guest House which is situated on the corner at the junction of Glenmore Road. This is where we pick up and drop off our passengers in our large tender and transfer you to Gannet. You'll find steps leading down to the shore opposite the Cardentive Guest House. There is free parking along some stretches of this part of Gallanach Road.
